

October 1, 2024

**Dear KSSC Pickleball members,**

We hope this message finds you well and that you are enjoying your time on the courts. As we continue to grow and improve our club, we want to inform you about some important changes to our membership structure.

Currently, we charge \$45 for a one-year membership, starting from the date of your application. However, beginning **November 1, 2024**, we will be transitioning to a new membership schedule. All memberships will now follow a **seasonal structure** with two options:

- **November 1 to April 30**
- **May 1 to October 31**

This change will allow us to better manage our resources and provide a more streamlined experience for our members. Please note that **all existing memberships** will still be valid until the original expiry date. More details about membership fees and the application process for these periods will be shared in the coming weeks. We appreciate your understanding and continued support as we make these adjustments to improve our club. If you have any questions or concerns, please feel free to reach out.

Thank you for being a valued member of our pickleball community. We look forward to seeing you on the courts soon!

Best regards,
